AMHMI86ICCL

AMHMI86CCL - 8"x6" HMI Cover Kit with hinged clear cover and stainless-steel snap latch

Availability:
In-Stock (Normally ships within 2-4 business days after receipt of order) – Lead times may be delayed temporarily due to Covid-19 related events.

Cover Type: Clear Polycarbonate

Closure Type: Metal Snap Latch

Mounting Description: 8 Screws

Product Info

UPC: AMHMI86ICCL

UNSPSC: 39121302

Carton Weight: 1.361 kg

Country of Origin: United States of America

Material: Polycarbonate frame and clear polycarbonate cover

Additional Materials: 316 stainless steel external hardware

Features:

Non-corrosive, non-conductive, light weight with lower installation cost and longer life cycle cost compared to steel. Rigid design with a gasket system encased in a continuous channel on the cover and frame. Open back frame design and will fit Allied Moulded enclosure sizes 10" x 12" and larger.

Application:

Cover and protect electrical and electronic controls including HMI (Human Machine Interface) instruments, touch pad controllers and pushbuttons mounted on the surface of Type 4X enclosures. No need to open the enclosure to view electronics or perform maintenance, decreasing arc flash risks and safety hazards.

Standards:

IEC 60529: Ingress Protection – IP66

CE, RoHS and Reach Complaint
