

## AMVENT66L

Ventilation kit with IP56 rating (126x134x19)mm

**Mounting Description:** 4 Screws

### Product Info

**UPC:** AMVENT66L

**Carton Quantity:** 1

**Carton Weight:** 1 kg

**Country of Origin:** India

**Color:** RAL 7035

**Material:** Polycarbonate

### Features:

FIP gasket system with 316 stainless mounting fasteners for maintaining IP66 enclosure rating. Polycarbonate thermoplastic material for corrosion resistance and a durable external enclosure accessory. Innovative baffles allow air flow into the enclosure while preventing rain or hose directed spray from penetrating.

### Application:

Enclosure accessory meant for free flow of air through enclosures to aid in venting/cooling equipment housed inside. Work best in pairs for best installed ventilation results.

### Standards:

IEC 60529: Ingress Protection - IP66

CE, RoHS and Reach Compliant
